

Institutional Curriculum Requirements (IC)

The Institutional Curriculum (IC) was designed to provide a curriculum through Healthstream that is universal to all programs. These required courses are to be completed prior to orientation. The GME office will sign you up in Healthstream. For questions, please contact Steve Bayley (Bayley@uchc.edu).

Courses Required

Incoming Courses. Courses that must be completed before residents/fellows can begin:

- Standard Precautions: Bloodborne Pathogens and Other Potentially Infectious Materials (PA) (also done annually)

Username and password

A User ID, password and the incoming courses listed above have been assigned to you. You're Appointment Letter/contract email will have your username and password.

There is a "Password reminder" and "Forgot your password?" link available if needed. Program Coordinators can also look up a User ID and reset a password. If additional help is needed please contact Stephen Bayley at 860-679-4295 or bayley@uchc.edu.

Follow these steps to change your Healthstream password. You cannot change your Healthstream username.

1. In the upper right corner Click on the drop down arrow to the right of your name.
2. Click on the 'Manage Password' link.
3. Make changes as needed.
4. Then Click on 'Change Password' button.

To Do

The 'To Do' link on the top tool bar lists the courses you are enrolled in but haven't completed.

Completed

The 'Completed' link on the top tool bar you a list of all the courses you've taken.
