

Connecticut Medicaid Assistance Program (CMAP)

The Department of Social services (DSS) provides medical assistance to low income people through the Connecticut Medical Assistance Program (CMAP). All residents/fellows are required to register with the Connecticut Medicaid Assistance Program (CMAP). Patients are dependent on the enrollment of residents/fellows to receive benefits as a prescription.

The CMAP enrollment requires the resident/fellow to have a [National Provider Identifier \(NPI\)](#) before registering. Once the NPI number is obtained, a resident/fellow should apply to [CPMRS](#) at www.ctdssmap.com.

Failure to comply with this requirement could result in a resident's/fellow's inability to prescribe. The University of Connecticut School of Medicine will not be responsible for any loss of privileges or fines as the result of the resident's/fellow's failure to comply with the above mandate.
