

SECURITY

Security measures are provided within the University of Connecticut School of Medicine, the sponsoring institution, as well as all of the major affiliated hospitals, including the UConn Health, Hartford Hospital, St. Francis Hospital and Medical Center, Hospital for Central Connecticut, Connecticut Children's Medical Center and the Veterans' Administration. These include foot and vehicle patrol of the facilities and general response to problems that arise. Security also provides assistance with ambulance security, transportation of patients to and from aircraft sent to the hospital, unlocking doors, escorts to vehicles, and assistance with cars that will not start in the middle of the night.
