

APPOINTMENT LETTER/CONTRACT

DATE: PROGRAM:
NAME POST-GRADUATE YEAR LEVEL:
ADDRESS PERIOD OF APPOINTMENT:
THE CURRENT SALARY AT THIS LEVEL:
This includes the amount for your orientation period.

By signing and returning the final page of this appointment letter, thus accepting this offer, you receive an appointment with the University of Connecticut School of Medicine (UConn SOM), the Sponsoring Institution of your program, and become an employee of the Capital Area Health Consortium (CAHC). Your employment with the CAHC does not alter your relationship with your residency/fellowship program and is expressly contingent upon you remaining in good standing in your program. All decisions about the academic aspects of your program will be governed by your Program Director and the Graduate Medical Education (GME) Office. Your appointment is also governed by all of the UConn SOM policies, privileges, procedures, and responsibilities outlined in the accompanying material, your program's manual, and the *Residents/Fellows Policies and Procedures Manual (Manual)*. The *Manual*, including the Code of Conduct, is available at <http://gme.uchc.edu>. A copy can also be obtained from your Program Coordinator or the GME Office personnel.

This appointment is contingent upon you successfully completing all prerequisites which may include medical school or residency/fellowship; passing a pre-employment screening, a drug screening, a criminal background check and appropriate *United States Medical Licensing Exams (USMLE)*, *Comprehensive Osteopathic Medical Licensing Examination (COMLEX)* or equivalent examination; and completing other employment requirements listed in the *Manual*. Please read this appointment letter carefully and contact your Program Coordinator or the GME Office personnel with any questions you may have.

Continuous training is vital to all residency and fellowship programs. Continued status in your academic program is required for this appointment to remain active. Termination from your academic program will terminate this appointment. Reasons that may terminate this appointment and any obligations the UConn SOM has to you shall include, but are not limited to, failure to satisfy the academic requirements of the program; failure to progress in knowledge or performance at a satisfactory rate; failure to attain or demonstrate competence in any of the six *Accreditation Council for Graduate Medical Education (ACGME)* competencies; failure to meet the requirements for continuous training; or conduct unbecoming a physician or otherwise in violation of the Code of Conduct.

Appointments to subsequent PGY years will be made at least four months prior to your current appointment end date. Reappointment and/or promotion will be based on performance evaluations in the six *Accreditation Council for Graduate Medical Education (ACGME)* competencies and program specific areas.

If your Program Director determines a reappointment/promotion will not occur within the four months prior to the end of the appointment, written notice will be provided as circumstances reasonably allow. Reappointment that does not occur as expected may be grieved according to the *Academic Deficiencies and Code of Conduct Violations/Non-Academic Deficiencies Review Procedures* in the *Manual*.

Residents/Fellows Policies and Procedures Manual

In the event of a national disaster, act of war, civil unrest, or other causes beyond the control of any party that may disrupt the ability of the program to operate, this appointment may be suspended or terminated in accordance with the *Disaster Policy* in the *Manual*.

UConn SOM's Responsibilities UConn SOM has a responsibility to provide:

- An academic program that meets the educational needs of residents/fellows including the opportunity to acquire the skills, attitudes, and knowledge consistent with proper patient care
- Patient care ancillary services, medical records, and other support services necessary for quality patient care
- Readily available faculty supervision
- Appropriate salary, health, dental, life, and disability insurance beginning on the appointment start date per the terms and co-payments of the CAHC plans as outlined in the *Manual*
- Professional liability insurance coverage for activities within the scope of your training program and period of participation, and afterwards, for claims arising out of medical incidents that occurred during the period of your program participation
- Counseling services including physical impairment and substance abuse for residents/fellows through the UConn Health's Employee Assistance Program, psychiatric services and/or the Health Assistance InterVention Education Network (HAVEN) as appropriate
- A duty hour policy consistent with patient safety and the ACGME Institutional and Program-Specific Requirements
- Oversight of the program and resident/fellow compliance with both the ACGME Institutional and Program-Specific Requirements
- A work environment that includes adequate food services, safe on-call sleeping quarters, and an overall environment of safety and security
- Written policies on vacation and other leaves of absence (with or without pay) to include personal and sick leave consistent with applicable laws
- Written policies including, but not limited to, *Accommodations For Disabilities – ADA Policy, Evaluation, Academic Deficiencies and Code of Conduct Violations/Non-Academic Deficiencies Review Procedures, Moonlighting/Extra Credit, Rotation-Specific Clinical and Educational Work Hours, Leaves, Supervision, Counseling Services, Substance Abuse, Sexual-Harassment, and Work Environment*
- Reappointment letters of agreement if you meet the academic standards and curriculum requirements of the program.

Further details of the above are available in the *Manual*.

Program Responsibilities The program has a responsibility to:

- Meet its educational goals as they are described in its program manual/curriculum and on the forms submitted to the specific *ACGME Residency Review Committee (RRC)* or equivalent. The goals and the outlines of the usual resident/fellow assignments for each year which may involve activities in several hospitals are available in the program office or internet based educational system such as *Blackboard*. A username and password will be provided to you by your Program Coordinator at the beginning of your training. The Program Director or designee may find it necessary to modify resident/fellow assignments as required by available personnel, education

resources, institutional patient care responsibility and career goals and academic progress of each resident/fellow.

- Provide timely evaluations to residents/fellows about their performance in all aspects of the program
- Monitor resident/fellow adherence to duty hour standards
- Monitor stress, fatigue in residents/fellows and provide information on support services
- Abide by accreditation standards. Most residency/fellowship programs under UConn SOM are accredited by the *ACGME* and the discipline specific *RRC* or similar organizations. Non-ACGME accredited programs are required to meet similar standards, policies and procedures as the accredited programs. Residents/fellows in all programs are required to abide by all policies and procedures in the *Manual*.
- Design a curriculum in which residents/fellows who perform satisfactorily will be able to meet board certification requirements for their discipline if applicable
- Certify to the discipline specific board that each individual resident/fellow has or has not met all requirements
- Information about specialty board certification requirements available in the program office or internet based educational system such as *Blackboard*. You may also contact the GME Office to request board certification requirements.

Resident/Fellow Responsibilities Accordingly, you are expected to:

- Perform all duties and accept all assignments designated by the program director or designee. Your performance will be evaluated by faculty, your program director, and others as may be required
- Acknowledge personal responsibility for understanding and accepting the requirements of the discipline in which you are training
- Be able to perform satisfactorily, with or without reasonable accommodation, in all required components of your program. See the *Americans with Disabilities Act (ADA)* policy for further details in the *Manual*.
- Develop a personal program of self-study and professional growth with guidance from the teaching faculty and staff
- Demonstrate competency in the areas of patient care, medical knowledge, communication and interpersonal skills, professionalism, practice-based learning and improvement, and systems-based practice for the discipline you are in
- Participate in safe, effective, and compassionate patient care, commensurate with your level of advancement and competence, under the general supervision of appropriately privileged teaching faculty and staff
- Participate fully in the educational and scholarly activities of your program and, as required, assume responsibility for teaching and supervising other residents/fellows and students
- Participate in programs and activities involving the medical staff and adhere to established practices, procedures and policies of the training site
- Participate in committees and councils, especially those that are related to patient care review activities
- Develop an understanding of ethical, socioeconomic and medical/legal issues that affect GME and how to apply cost-containment measurements in the provision of patient care
- Submit accurate documentation of duty hours, confidential written evaluations of the faculty, the program, and other information as may be required

Professional activities outside the program are not covered.

Further detailed information is available in the *Manual*.

Moonlighting/Extra Credit

With written permission from your Program Director or designee you may engage in professional activities to the extent that such activities do not interfere with your health, performance, or duty hour requirements. It is your responsibility to obtain licensure, liability coverage, and narcotic registration for use in moonlighting not related to your residency/fellowship program. See the *Manual* for further details.

Evaluation of Resident/Fellow, Residency/Fellowship Program

As the position of resident/fellow involves a combination of supervised, progressively more complex and independent patient evaluation and management functions and formal educational activities, your competence is evaluated on a regular basis. The program maintains a confidential record of your evaluations.

Evaluations of your progress will be conducted according to UConn SOM's *Policy on Evaluation* in the *Manual*. In addition you are expected to participate in the evaluation of your residency/fellowship program. This includes the submission of a written evaluation of each clinical rotation and key teaching faculty on each rotation following completion of each rotation.

In the event of any action against you related to academic or any other deficiencies which could jeopardize normal progress towards completion of your residency/fellowship program, your rights are

protected under UConn SOM's policy on *Academic Deficiencies and Code of Conduct Violations/Non-Academic Deficiencies Review Procedures*.

Pre-Employment Physical/Fit to Work Status

You are required to provide adequate documentation and attain a pre-employment screening to ascertain immunizations to communicable diseases in accordance with University policy and state law public act 89-90. The required immunization must be maintained and updated as needed during the entire period of your residency/fellowship training including annual TB skin testing or prescribed testing. You will be required to clear a drug screening test prior to beginning your training or employment.

Institutional Curriculum

The Institutional Curriculum was designed to provide a curriculum that is universal to all programs and either reflects RRC requirements or hospital/Joint Commission requirements. By providing an Institutional Curriculum, hospital administrative offices are guaranteed that residents/fellows meet credentialing aspects. Some courses are required to be completed prior to starting, some courses will be completed annually, and some courses will need to be completed once during a residency or fellowship period. Other than the required pre-employment and annual courses, we leave it up to the programs how often and when the other courses will be completed. Most of the courses are online.

The Institutional Curriculum includes but is not limited to courses on Standard Precautions, Bloodborne Pathogens, Rapid Regulatory Compliance Sexual Harassment, Patient Rights, Confidentiality, HIPAA, Grievances, Patient Restraint and Seclusion in the Acute-Care Setting, Moderate Sedation/Analgesia (Conscious Sedation), Adverse Events, Cultural Competence, Informed Consent, and Sleep Loss and Fatigue. Further details are available in the *Manual*.

On behalf of UConn SOM's GME Office, the CAHC, and training sites, we would like to welcome you. We are pleased that you will be joining us for your residency/fellowship training program.

Sincerely,

{Signature on originals only}
