

**University of Connecticut
School of Medicine
Department of Psychiatry**

**CHILD AND ADOLESCENT
PSYCHIATRY FELLOWSHIP**

Director: Daniel F. Connor, M.D.

**MISSION STATEMENT OF THE DIVISION
OF CHILD & ADOLESCENT PSYCHIATRY
WITHIN THE DEPARTMENT OF
PSYCHIATRY AT THE UNIVERSITY OF
CONNECTICUT HEALTH CENTER**

Using a collaborative multidisciplinary model, the Division of Child & Adolescent Psychiatry at the University of Connecticut Health Center seeks to provide empirically-based, culturally competent, and developmentally sensitive standards –of-care, facilitate greater knowledge through clinical, applied, and translational research, and attract and educate new pediatric mental health specialty students and trainees in the understanding, treatment, and prevention of early onset mental health disorders in children and adolescents, with a particular emphasis on those in the public sector.
